

Dance Dimensions FAQ's

Q: WHY DANCE DURING A PANDEMIC?

Dance is an extension and expression of who we are as human beings and provides an outlet to share emotions and promote sense of community and connection. Dance right now is even more important to give our children mental and physical activity, socialization, self confidence and strength in a safe controlled environment.

Q: What is the protocol Dance Dimensions is taking in regards to health and safety?

- ★ Frequent sanitizing & cleaning/disinfecting of equipment, high-touch areas, and studio spaces throughout the night
- ★ Smaller classes based on space/capacity recommendations
- ★ All dancers need to wear a mask upon entering/exiting the studio
- ★ Lobby closed to the public

Q: Can I come in to the lobby and watch my child's dance class?

- ★ Dancers ages 2-4 years are permitted to have ONE parent/guardian stay in the lobby during their child's class.
- ★ Dancers ages 5-7 years are permitted to have ONE parent/guardian enter the lobby 5 minutes before class and escort their child into the studio before leaving the lobby to wait in the car. The parents of our 5-7 year old dancers must return to the studio and enter the lobby within the last 5 minutes of class to pick their child up and escort them to the car.
- ★ Dancers ages 8 years and UP must be dropped off and picked up from the studio while their parents/guardian remains in the car. Please arrive on time; dancers can not enter the building more than 5 minutes ahead of scheduled class time.
- ★ Parents are required to wear a mask when in the lobby or during drop off/pick up.

NON DANCER SIBLINGS ARE NOT PERMITTED IN THE LOBBY UNLESS THEY ARE UNDER A YEAR AND REMAIN IN A CARSEAT

Q: When should my dancer stay home from dance?

- ★ Please keep your dancer home if they or anyone in the household is feeling unwell, has a fever, or any symptoms of being ill.
- ★ Your dancer can return to classes once fever and/or symptom free for 24 hours without the assistance of medication

Q: We are new to Dance Dimensions - with the lobby closed to parents how can we safely check out the studio?

- ★ We will be offering studio tours by appointment for all new dancers and families prior to the start of classes on 9/14/20.

Q: What precautions are Dance Dimensions Staff taking?

- ★ DD Staff/Instructors abide by health and wellness standards, wash/sanitize hands before and after each class, and will keep appropriate social distance unless it impedes instruction.
